THEATER

Gremlin Theatre is located at 550 Vandalia St, in St. Paul. The google maps is deceptive, and takes you to the wrong side of the building.

From 94 exit at Cretin/Vandalia. Go north one block to Wabash Ave and turn right. Go a half block to Montgomery Ave. and turn right into the parking lot. Parking in the lot is free. If the lot is full, there is some street parking that is free nearby.

The theater is in the same building as Lake Monster brewing. Enter the building via the double doors between Monster Brewing and the big white round sign that says Vandalia Tower. Follow the signs down the long hall to the theater.

There is no theater sign on the outside the building, but there is a sign on the double doors.

Doors open one hour before the performance. When you arrive, check in at the box office. Seating is general admission.

Come early and have a drink at Monster brewing. There are food trucks daily outside the brewery, [information available here](#). If you do not finish your drink, you can bring it into the theater.

During intermission you can grab a beer at the brewery and bring it inside the theater.

Running time is approximately 2 hours 25 minutes, including a 15 minute intermission.
